BizJet® International (TUL) Selects Air BP as Primary Fuel Supplier

BizJet® International (TUL) Joins the Air BP Family of Dynamic Aviation Service Providers

Salem, Oregon – May 2008 – BizJet® International (TUL), located in Tulsa Oklahoma, has recently selected Air BP to supply its fuel needs. Air BP will provide BizJet's 20-year operation with quality fuel supply, safety training capabilities and additional marketing services.

Located in Tulsa, Oklahoma, BizJet® was established in 1986 and continues to be recognized in the corporate aircraft industry for its world-class airframe and engine maintenance, state-of-the-art avionics installations, superior-quality exterior paint, and custom interior refurbishment. BizJet® International also offers a complete line of parts and a full-service FBO. For additional information about BizJet®, call Pete DuBois, Vice President of Sales and Marketing, toll-free at (888) 388-4858, or in Tulsa call (918) 832-7733. Also, please visit BizJet® on the web at www.bizjet.com.

"We feel that Air BP is a perfect fit for BizJet and will provide excellent service for our customers," states Bernd Kowalewski, President and CEO, BizJet.

Under the new contract, Air BP will assist BizJet® International (TUL) in a full range of services such as fuel distribution, marketing capabilities and safety training programs. Air BP's primary goal is to support BizJet's "Complete Services. Complete Satisfaction" motto.

Air BP's General Manager of West GA Sales, Steve Highet, states "BizJet is a quality FBO operation offering the finest in aircraft servicing. We are proud to be associated with their organization and look forward to supporting this world class facility."
